Contracted Appointments As Needed Appointments

- Contracted Appointments: Pre-arranged weekly sessions at the same time with the same tutor. Contracted appointments are reserved for students who will benefit most from more structured academic support.
- As Needed Appointments: Students can make appointments as they are needed, up to two appointments per week per unit. Appointment times and tutors can vary. Most students who come to CARP utilize as needed appointments.

*Contracted appointments are offered at the discretion of the CARP Senior Program Coordinator.
Completing this form does not automatically guarantee a contract.*
